

EXCEPTIONAL ENERGY STAGE RESERVATION FORM

Please return this form to: Camille Pieron at cpieron@wlpga.org

A PURPOSE

Benefit from a dedicated space in the middle of the exhibition area of the 2018 AEGPL Congress, where you will be able to showcase new projects, technologies, products or services during a 30 minutes presentation to visitors and delegates. Don't miss out on this unique opportunity to talk directly to your customers, to present the innovative products your company has developed and to make yourself visible in the top LPG event in Europe.

The package includes: a screen, wireless microphones, sound system and standard IT/organisational support.

The Exceptional Energy stage is promoted in the Congress' marketing materials: schedule announced on Conference Brochure; highlighted on the event's website; in newsletters preceding the event; and in the event's mobile app.

Onsite, the Exceptional Energy stage experience is announced in the exhibition hall through loudspeakers; indicated in the event's signage and as notification in the event's app.
